MEMORANDUM FOR: Director of Personnel

SUBJECT: Proposed Method for Handling T/O  
Assignments and Pay for Employees  
on Extended Sick Leave Pending Disability  
Retirement

~~████~~ The IC Staff, as you are aware, does consist of many individuals who are assigned for a period of <sup>or three</sup> two years and they come from various career services of the Agency. In addition to these individuals, we have individuals on reimbursable detail from the Department of Defense from all three services as well as individuals on detail from NSA, etc. In view of this, the IC Staff has just a peripheral interest in what practice the Agency develops with respect to the method of handling the T/O assignments and pay for employees on extended sick leave pending disability retirement. We, of course, <sup>we must</sup> ~~will~~ abide by the Agency practice established with regard to the above.
